

You think by murdering my mom you've won?

By Daphne Fissel

You think by murdering my mom you've won?

You'll See...

You think I can't go on another day.

You think I have nothing
Without my mom by my side,

You'll see
Somehow, some way

You think that I can never laugh again

You'll see,
You think that you destroyed my faith in this world

You think after all you've done
I'll never find my way mom back home,

You'll see
Somehow, someday

All by myself
I don't need anyone at all
I know I'll survive
I know I'll stay alive

All on my own
I don't need anyone this time

My mom will be mine
No one can take her from me
You'll see

You think that you are strong, but you are weak
You'll see,
It takes more strength to burn alive, never admit defeat.
I have deceit on my side,
You only have socks...

You'll see, somehow, someday

All by myself
I don't need anyone at all
I know I'll survive
I know I'll stay alive,
I'll stand on my own
I won't need anyone this time
She will be mine
No one can take her from me
You'll see
